Profile

An internationally respected BAFTA and EMMY Award winning Dubbing Mixer with an impressive track record of dubbing high-profile programmes. An intuitive and creative craft Professional, with more than 20 years extensive experience of delivering high-quality sound tracks, exceeding the needs and aspirations of clients across a wide variety of genres.

An experienced and qualified Teacher, Trainer and Public Speaker. Senior Lecturer in Audio and Music Technology at the University of the West of England, whose excellent communication skills, passion and enthusiasm for the subject can both entertain a lay audience and stimulate enthusiasm in students.

A versatile musician, playing trumpet in professional function bands, also equally at home in classical orchestras, brass ensembles and Big Bands. Has recently played on tracks for the BBC David Attenborough series Africa.
